The Member Incentive Program is for purchases made now through Sept 1, 2009 and may not be combined with any other Wellcraft promotion. Contact your PAL Building Material Trader for the incentive form, as it must be mailed along with the PAL invoice by October 31, 2009.

IKO ARMOURSHAKE SPECIAL

Get the beauty of natural wood in an architectural shingle. Armourshake premium fiberglass-based asphalt shingles provide a dimensional thickness that enhances the rough-hewn, random-cut appearance, texture and profile of classic wood shakes. Due to Armourshake's larger size, contractors save nearly 40% in time and labor using an average of just 70 shingles to cover a square. Armourshake is available in 5 natural-looking colors and features an algae resistant granule.

Now through June 30, 2009 contractors can receive a \$5 per square mail-in rebate. For more information contact your PAL Building Material Trader.

BERTCH BATH SPECIAL

Now through June 26, add decorative feet to a Bertch Bath base cabinet for half price. Currently you can add feet to any base cabinet for \$125 list; this promotion will cut that cost to \$62.50 list. Also, receive a 10% discount on all colors of Natural Stone tops. This discount is limited to current on-hand inventory, so please check availability.

BERTCH WYNDHAM DOOR SPECIAL

Now through June 26, receive a 10% discount for orders of 6 or more Wyndham doors. Wyndham is the new “less expensive” door offering from Bertch. It is particle board construction with a veneer that finishes out around 40 thousandths thick. You have nearly the same panel layouts as the Timbergate division; however the wood, profile and customization options are limited. The option to up-grade to solid wood jambs, precision ball bearing hinges and solid wood panels is available.

BERTCH MARKETPLACE SPECIAL

Now through June 26, there is a 5% discount on Birch Sable jobs.

BERTCH LEGACY AND CUSTOM SPECIAL

For the months of June and July, Bertch will be waiving all wood premiums in both the Custom and Legacy lines (Select-A-Woods in Custom excluded). This amounts to a savings of up to 22%! Cherry kitchens are a 15% savings! 12% on the new offering of Quartersawn Oak in Legacy as well as Quartersawn in Custom!

JIM BISHOP FRAMELESS DISPLAY SPECIAL

Jim Bishop is offering a HUGE discount on displays of their new frameless offerings. Display orders for frameless cabinetry received by August 31st will be eligible to receive a 33% discount.

PRICE INCREASES **AND** **PRODUCT CHANGES**

NATIONAL GYPSUM

A 10% price increase is announced, effective August 3, 2009 on the National Gypsum wallboard product line, with the exception of e²XP Extended Exposure Sheathing, e²XP Extended Exposure Shaftliner, Hi-Impact Wallboard, and Soundbreak Gypsum Board.

HORMANN GADCO HARDWARE BOX CONFIGURATION CHANGES

In the next few weeks you will begin to see some changes in the hardware box configurations on all Montgomery manufactured products for both residential and commercial sectional doors. Hormann is reconfiguring the hardware box specifications to a “two box system”; one box for “section applied hardware” and one box for “mounting hardware” for each door.

Section applied hardware includes end and center hinges, bottom and top fixtures and related fasteners along with any options such as locks or handles which are section applied.

Mounting hardware includes drums, cable, and all track and counterbalance related hardware.

The boxes will be clearly marked, but please note that two boxes will be needed for each door when you begin seeing the new box configurations.

GAF/ELK PALLET & BUNDLE CHANGE

Beginning mid June, there will be some changes made to the pallet configuration on all colors of Timberline Prestique 30 HD shingles that are manufactured in the Michigan City, IN plant and the Minneapolis, MN plant. There will also be changes made in the Myerstown, PA plant that will affect all colors of both Timberline Natural Shadow and Timberline Prestique 30 HD shingles. This will not create a do-not-mix scenario.

The following changes will occur:

MICHIGAN CITY AND MINNEAPOLIS

- Bundle Layers will increase to 13 previously was 12.
- Bundles per pallet will increase to 39 previously was 36.
- Squares per pallet will increase to 13 previously was 12.

MYERSTOWN

- Bundle Layers will increase to 13 previously was 12.
- Bundles per pallet will increase to 52 previously was 48.
- Squares per pallet will increase to 17-1/3 previously was 16.

The pallets will be marked on two exterior sides with a green sticker. The sticker will indicate the new squares and bundles per pallet.
